

FEBRUARY 15th. IS THE DEADLINE FOR APPLICATIONS FOR GRANTS FOR STUDENT EXCURSIONS.

Students in programs at Department of Education (PFI) may apply for financial support for excursions. The deadline for applications is February 15.th.

THE APPLICATION MUST CONTAIN THE FOLLOWING INFORMATION:

Plan for excursion

The Excursion must have an academic aim. A preliminary plan for the trip must be presented. Confirmed contact with local persons and/or institutions must be included in the application. The contact-persons should be professors or academic staff in local institutions and be able to help the group with making appointments for visits and lectures.

Grants

The application must include a budget for the trip. Costs that may be covered are travel- and living expenses. The cost should be kept at as low as possible. The Department may stipulate the sum of the grant based on the total funds available and the number of applications.

Leader responsible for the excursion

The person/persons who sign the application are responsible for the finances of the excursion. (Detailed requirements will be given when grant is awarded)

A teacher/employee from the permanent staff normally participates in the excursion. In certain cases, the Department may allow for an excursion without permanent staff member participation. The Department covers all costs for the staff member.

The participants

The group of students travelling must consist of at least 5 persons. If there are unused funds, individual students may be granted funding of travels in connection with work on the master's thesis.

Grants are not given in support of attendance of conferences.
