

Assignment – SNE3110:

Group exam and presentation

Prepare:

1. **An oral presentation** (Everyone must take an active part in preparation and presentation)
2. **A short written summary of your oral presentation in key words only** (Use the computers for this task)

The content of the exam and presentation:

1. Give a very short summary of Bronfenbrenner's theory of human development with an emphasize on his latest work(s).
2. In what way can ICF and Bronfenbrenner's theory be connected?
3. How can you use ICF in special needs education? Are there some limitation in using ICF in this context?
4. How can you use Bronfenbrenner and ICF in developing inclusive practices?

Each group will be allocated a total of *45 minutes*. This should give you time for:

- presentation
- comments and questions raised by the other students and lecturer

Participation in all the oral presentations and accompanying discussions is obligatory for everyone

Deadline for delivery of written summary: Monday 24.09.2012, before 11.00 to steinar.theie@isp.uio.no (use e-mail with attachment, not paper copy)

Presentation of assignments: 25.09.2012.

Good Luck!
